

Summary – An ordinance creating the City of Las Vegas, Nevada, Special Improvement District No. 810 (Summerlin Village 23B), ratifying action taken by City officers toward the creation of such District, and providing other matters related thereto.

BILL NO. 2007-30

ORDINANCE NO. _____

AN ORDINANCE CREATING THE CITY OF LAS VEGAS, NEVADA, SPECIAL IMPROVEMENT DISTRICT NO. 810 (SUMMERLIN VILLAGE 23B); ORDERING A STREET PROJECT, STORM SEWER PROJECT, SANITARY SEWER PROJECT AND WATER PROJECT, WITHIN THE CITY OF LAS VEGAS, NEVADA; AND PROVIDING OTHER MATTERS RELATED THERETO.

WHEREAS, the City Council (the “Council”) of City of Las Vegas, Nevada (the “City”), deems it necessary to create the City of Las Vegas, Nevada, Special Improvement District No. 810 (Summerlin Village 23B) (the “District”) for the purpose of acquiring and improving a street project, storm sewer project, sanitary sewer project and water project (collectively, the “Project”), and to defray the entire cost and expense of the Project by special assessments, according to benefits levied against the benefited lots, tracts and parcels of land in the District; and

WHEREAS, pursuant to Chapter 271 of Nevada Revised Statutes (“NRS”) and all laws amendatory thereof and supplemental thereto (the “Act”), there has previously been presented to the Council a written petition from the Howard Hughes Corporation, a Delaware Corporation (the “Developer”), requesting the City to initiate the formation of the District and the acquisition and improvement of the Project and to issue bonds and levy assessments and requesting the City to proceed with certain actions required by the Act; and

WHEREAS, the City and the Developer have entered into an agreement (the “Financing Agreement”) for the acquisition and improvement of the Project which contains the terms and conditions required by NRS 271.710 and 271.720; and

WHEREAS, the Developer is the owner of 100% of the assessable property comprising the District; and

WHEREAS, the Council and the officers of the City have done or caused to be done all things necessary and preliminary to the creation of the District, including but not limited

to the filing by the City Engineer (the "Engineer") with the City Clerk of an accurate estimate of cost, full and detailed plans and specifications which comply with NRS 271.710(3)(b), an assessment plat and map and an assessment roll, and the Council now desires to authorize the Project by this ordinance.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAS VEGAS, IN THE STATE OF NEVADA, DOES ORDAIN:

Section 1. This ordinance shall be known as and may be cited by the short title "District No. 810 Creation Ordinance" (this "Ordinance").

Section 2. There shall be, and hereby is, created in the City an improvement district designated as the "City of Las Vegas, Nevada, Special Improvement District No. 810 (Summerlin Village 23B)" for the purpose of acquiring and improving the Project, as more particularly described below. The Council, pursuant to NRS 271.325(1), has also determined and does hereby declare as follows:

(a) The public convenience and necessity require the creation of the District.

(b) The creation of the District is economically sound and feasible.

(c) The market value of each of the benefited lots, tracts and parcels of land in the District will be increased by an amount directly attributable to the Project for which the assessment is to be made.

Section 3. The Project, which is hereby ordered to be acquired and improved, shall be located within the boundaries of the District and shall be as shown on the full and detailed plans and specifications for the District filed with the City Clerk. The kind and location of the Project (without mentioning minor details) is as follows:

The Project consists of the acquisition and construction of certain improvements within the District to include streets, sanitary sewers, storm sewers, and water mains, in and along the property described in Section 4, and all appurtenances and incidentals necessary, useful or desirable, including real and other property therefor, which is more particularly described (with all segment lengths to be current approximations subject to minor adjustment) as set forth below. For the purposes of this section, the following terms have the following meanings:

Rough Grading – Includes the cost of rough grading for the full width of future roadway improvements including rough grading of landscape area to the

developer property line and required miscellaneous demolition of existing improvements.

Improvements – Includes costs of on-site waterlines, sewer, and storm drain associated with a roadway segment and all appurtenances (hydrants, sleeves, irrigation meters, manholes, service main extensions to the property line, inlets, RCP, box culverts, and so forth) as well as subgrade preparation, paving, curbs for the roadway, and striping/signage.

Street Lights – Includes the cost of trenching, conduit, pullboxes, service points, and transformers for street lights and street light installation for a particular road segment. These improvements also include, where applicable, costs for future traffic signal poles when installed for use as the street light pole at applicable intersections, including associated conduit, and pull boxes.

Final Paving – Includes the cost of the final paving for a roadway segment, including final striping, valve/manhole adjustments and signage adjustments. Final Paving is required only on arterial roadways. Final paving may be placed at the time of rough grading and improvements.

Road projects, which have been segmented into subprojects, are designated by a suffix indicating the following:

“A”	Rough Grading and Improvements
“B”	Street Lights
“C”	Final Paving

Section 5. The District shall constitute one construction unit with the projects and subprojects described in Section 3.

Section 6. All of the costs of the Project will be defrayed by assessments. The assessments, levied in the principal amount not to exceed \$16,400,000, plus interest thereon, shall be payable in semiannual installments payable semiannually at the office of the City Treasurer. Forty-three (43) amortized assessment installments of principal and interest will be due semi-annually on April 1 and October 1 of each year, commencing on October 1, 2009 and ending on October 1, 2030. The assessments will be levied on an area basis; except that for property which has been subdivided for single-family residential purposes the assessments will be levied on a per lot basis, as more fully described in the ordinance levying the assessments.

Section 7. All actions, proceedings and matters previously taken, had and done by the Council and the officers of the City (not inconsistent with the provisions of this Ordinance), concerning the District and the Project, including but not limited to the performing of all prerequisites to the creation of the District, the entering into of the Financing Agreement, the acquisition and improvement of the Project, the determination of the specially benefited

property therein, and the levy of assessments for that purpose be, and the same hereby are, ratified, approved and confirmed.

Section 8. The officers of the City be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including without limiting the generality of the foregoing, the preparation of all necessary documents, legal proceedings and other items necessary or desirable for the completion of the levying of the assessments for the District and the issuance of the bonds for the Project.

Section 9. Immediately upon the final adoption of this Ordinance, the Council shall, and hereby directs the City Clerk to, file in the office of the County Recorder of Clark County, Nevada, a certified copy of the list of the tracts to be assessed and the amount of maximum benefits estimated to be assessed against each tract in the District, as shown on the final assessment plat and map. Notwithstanding the foregoing, neither the failure to record such list nor any defect or omission in such list regarding any tract to be included in the District shall affect the validity of any assessment, the lien for the payment thereof or the priority of that lien.

Section 10. If bonds are issued for the Project, the Engineer is hereby authorized to approve all requests by the Developer for payment by the City for the acquisition of each subproject described in the Financing Agreement, subject to and in accordance with the applicable provisions of the Financing Agreement. Upon such approval, the City Treasurer is hereby authorized to make such payments to the Developer, without the necessity of any further authorization or approval by the Council.

Section 11. All ordinances, resolutions, bylaws and orders, or parts thereof, in conflict with the provisions of this Ordinance are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any ordinance, resolution, bylaw or order, or part thereof, previously repealed.

Section 12. When first proposed, this Ordinance must be read to the Council by title, after which an adequate number of copies of this Ordinance must be deposited with the City Clerk for public examination and distribution. Notice of the deposit must be published once in a newspaper published and having general circulation in the City at least 10 days before the adoption of the Ordinance, such publication to be in substantially the following form:
